Hippo sofa out is a comfortable **futon sofa** that can be easily transformed into a **mattress**. By unhooking the sofa back and lifting the armrests, Hippo lies flat, becoming a **thick, soft** mattress perfect for guests. Covered in **stain-resistant and water-repellent dralon fabric**, it allows you to take the Hippo chair safely out to the patio or garden, or even to the beach. Easily converted from an **outdoor sofa** to an **outdoor mattress**. Karup's design stems from the perfect blend of minimalist and essential **Scandinavian design** and **Japanese futons**. All of its creations are **transformable solid wood furniture**: teen rooms, guest rooms, first homes and summer homes. Karup uses the advantages of futons to find new, unexplored solutions. All beds and sofa beds are **made entirely of natural wood**, thus ensuring a perfect balance between personal health culture and **environmentally sustainable philosophy**.
