This is the perfect sofa for unplugging and relaxing. With a **simple movement**, it transforms from a **sleek** pine wood sofa inspired by mid-century modernity into a movie night sofa just waiting for you to sit down. The **spacious armrest** doubles as a **built-in coffee table**, allowing you to have everything you need at your fingertips. Do you need extra sleeping space? Live in a small house or a small apartment Unwind Sofa is a three-seater sofa that becomes a comfortable **bed** with a **simple gesture**. The 14 cm high futon mattress is made of 90-95% cotton and 5-10% foam. The outer cover is 80% cotton + 20% polyester (the linen-colored futon cover is composed of 75% cotton + 25% linen). Karup's design stems from the perfect combination of minimalist and essential **Scandinavian design** and **Japanese futons**. All of its creations are **transformable solid wood furniture**: teen rooms, guest rooms, first homes, and summer homes. Karup uses the advantages of futons to find new, unexplored solutions. All beds and sofa beds are **made entirely of natural wood**, thus ensuring a perfect balance between personal health culture and **environmentally sustainable philosophy**.
